Revised April 2021

Does this Handbook Apply to Me?

This benefits handbook is written specifically for members and retirees of the Employees' Pension System who are subject to the **Alternate Contributory Pension Selection**. Please review the following information to determine if you are a member of this system.

Within the Employees' Pension System there are four separate and distinct components:

1. The Non-Contributory Pension Benefit was the original component and, in general, is relevant to members who:
 - Transferred from the Retirement System to the Pension System after April 1, 1998,
 - Terminated employment before June 30, 1998, and were vested (i.e. entitled to a future benefit), or
 - Are currently employed by a participating governmental unit that elected not to participate in the Contributory Pension Selection and/or the Alternate Contributory Pension Selection: City of Crisfield, Housing Authority of Crisfield, Garrett County Commissioners, Garrett County Roads Board, Town of Elkton, Town of North Beach, Prince George's County Government, and Princes George's County Crossing Guards.
2. The Contributory Pension Selection was created in 1998 and, in general, is relevant to members who:
 - Terminated from employment before June 30, 2006, and were vested (i.e. entitled to a future benefit), or
 - Are currently employed by a participating governmental unit that elected to participate in the Contributory Pension Selection but did not elect to participate in the Alternate Contributory Pension Selection: Town of Emmitsburg, Town of Frostburg, Town of Middletown, and Town of Taneytown.
3. **The Alternate Contributory Pension Selection was created in 2006 and, in general, is relevant to members who were employed as members on June 30, 2006, or who became employed as members after June 30, 2006 and before July 1, 2011.¹**
4. The Reformed Contributory Pension Benefit was created in 2011 and, in general, is relevant only to members who either (a) were not employed as a member before July 1, 2011, or (b) were employed as a member before July 1, 2011, did not vest, and became employed as a member on or after July 1, 2011 after being separated from employment for more than four years.¹

¹ A member who was subject to the Alternate Contributory Pension Selection, and resumes membership in the Employees' Pension System on or after July 1, 2011 after a period of separation from employment, remains subject to the Alternate Contributory Pension Selection if the member:

- (a) Was vested prior to July 1, 2011 and has not withdrawn member contributions or retired;
- (b) Was separated from employment for 4 years or less; or
- (c) Was separated from employment for military service that meets the requirements of the federal Uniformed Services Employment and Reemployment Rights Act (known as "USERRA").

Otherwise, an individual who resumes membership in the Employees' Pension System on or after July 1, 2011 after a period of separation from employment is subject to the Reformed Contributory Pension Benefit.

The benefits provided by each of these separate components are different.

If you are unsure which component of the Employees' Pension System applies to you, you can find out by:

- 1) Reviewing your most recent Personal Statement of Benefits. Your component is listed on the top of page two.
- 2) Reviewing your account in mySRPS. Your system is listed at the top of your Home page.
