RETIREMENT
USE ONLY

FORM 14-24 (REV. 10/18)

INSTRUCTIONS FOR COMPLETION OF APPLICATION

IMPORTANT: Read the following instructions and information carefully before filling out this form.

1. If you are married at time of retirement, you must choose the Basic Allowance.
2. After you have completed this form, you should also complete Forms 85 (Direct Deposit - Electronic Funds Transfer Sign-Up) and 766 (Federal and Maryland State Tax Withholding Request) and forward them to your Retirement Coordinator.
3. If you have chosen the Basic Allowance or payment Option 2, 3, 5 or 6, you must verify your beneficiary's date of birth by attaching a copy of his or her birth certificate, valid driver's license or other proof. For information on acceptable proofs of birth date, call a Retirement Benefits Specialist at the number shown below.
4. If you are electing Option 2 or 5, you cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is your disabled child. If you elect Option 2 or Option 5 and designate your disabled child, you must submit a completed Form 143 (Verification of Retiree's Disabled Child for Selection of Option 2/5 Beneficiary) with this application.
5. If you wish to purchase previous service or apply for military service for which you are eligible, ask your Retirement Coordinator for the proper form(s) and submit it with this application. Additional credit cannot be claimed or purchased after your retirement.
6. If you wish to name more than one beneficiary and you are choosing the Option 1 Allowance or the Option 4 Allowance, you should not fill out the "Designation of Beneficiary" section on page 2. Instead, fill out and attach Form 4 (Designation of Beneficiary Form).
7. If you are eligible to participate in the State Employees Health Insurance Program, The Basic Allowance or Option 2, 3, 5 or 6 continue health program coverage for your eligible surviving dependents, after your death. Contact your employing agency for details.
8. You may change your retirement allowance selection only by filing a change with the State Retirement Agency before your first payment is due. In most cases, the first payment is due 30 days after the effective date of your retirement. You cannot change your selection after this due date.
9. If you die before the effective date of your retirement, your beneficiary cannot receive a retirement allowance even if you have completed this form. If you are still in active service at the time of your death, your beneficiary is only eligible for the active service death benefit.
10. You may change your beneficiary at any time. Depending on the option you have chosen, however, your retirement allowance may have to be recalculated to reflect the change. Your benefit amount could be reduced as a result of the change. For more information, call a Retirement Benefits Specialist.
11. You must retire within 30 days of separating from employment with a participating employer to receive additional creditable service for your unused sick leave. Unused sick leave is sick leave that was available to an employee as sick leave during employment and was not used before retirement. Any converted leave that was not sick leave during employment may not be reported.
12. Generally speaking, no member may receive more than one type of retirement benefit.
13. If you have voluntary contributions in your account and have elected to withdraw them in a lump sum, you must attach a completed *Application for Withdrawal of Voluntary Funds Package* to this application. Reemployment After Retirement for Retirees of the State Police Retirement System

VIDEO: For an overview of this information, go to sra.maryland.gov, select YouTube or Vimeo and watch "Reemployment After Retirement."

Keep a copy of this information on file as a handy reference for the future. You should also keep on hand your Notice of Retirement Allowance that the Retirement Agency will send to you as a new retiree. The Notice of Retirement Allowance includes information such as the amount of your monthly retirement allowance, the beneficiary you designated and your earnings limitation. To determine what, if any, earnings limitation applies and the effect, if any, on your retirement allowance, you need your Notice of Retirement Allowance to identify the type of retirement you are receiving (service, ordinary disability or special disability) and your earnings limitation. Then, apply the reemployment rules. Reemployment earnings are the annual reemployment compensation reported to the IRS that the retiree received during a calendar year. Note the reemployment rules do not apply while a retiree is participating in the State's Deferred Retirement Option Program (DROP).

Under no circumstances should your decision to retire be conditioned upon an offer of reemployment, and in fact, no offers of reemployment should be discussed by you and your employer prior to your retirement. However, if after your retirement you consider reemployment with an employer that participates in the State Retirement and Pension System (SRPS) you need to be aware of two important issues: Internal Revenue Service (IRS) guidelines regarding reemployment and Maryland retirement law regarding reemployment.

INTERNAL REVENUE SERVICE GUIDELINES REGARDING REEMPLOYMENT

There can be significant consequences to you and the SRPS if you retire before the normal retirement age of your plan and/or before age 59 1/2, and are reemployed with the same employer without a bona fide separation of service. Please note that all units of Maryland state government, including the University System of Maryland, are considered one employer.

The IRS can impose a significant tax penalty on your income if you are under the age of 59 1/2, retire and begin receiving your monthly retirement benefits, and are reemployed by the same employer from whom you retired. In order to avoid this penalty there must be a bona fide separation from service between you and your former employer.

If you retire before your normal retirement age, there are also serious IRS consequences to the SRPS if a bona fide separation does not take place following retirement and prior to reemployment with the same employer.

While the IRS has not specifically defined what constitutes a bona fide separation from service, it is clear that the more differences between your last job before retirement and the job being performed upon your reemployment, and the longer the break between the date of your retirement and the date of your reemployment, the more likely it is that there has been a bona fide separation of service. If you are reemployed to perform the same job, even if there is a reduction in your work schedule, this would not likely qualify as a bona fide separation of service unless there is a lengthy break in employment. Even arrangements where you are rehired as an "independent contractor" may not meet the IRS' standard.

MARYLAND RETIREMENT LAW REGARDING REEMPLOYMENT

Maryland law requires that there must be a minimum of **45 DAYS** between your retirement date and the date you are rehired by any employer that is a participating employer in the SRPS. All units of Maryland State government, including the University System of Maryland, are considered to be *one employer* under these reemployment rules.

Additionally, employment after retirement, under certain conditions, may cause your retirement allowance to be reduced.

SERVICE RETIREMENT

If you accept temporary employment (not in a regularly allocated position) with a *participating employer**, you must notify the Board of Trustees in writing of your intent to accept reemployment and the amount of your anticipated compensation. Temporary employment is defined as full time for six months or less or part-time for the equivalent of six months or less. Your retirement allowance will be reduced if your post retirement earnings exceed your earnings limitation. The benefit is reduced dollar for dollar up to a maximum of the full retirement allowance.

**A participating employer is any employer that offers State Retirement and Pension System benefits to its employees. A list of participating employers is printed on page eight. Before accepting employment, contact the State Retirement Agency for updates to this list.*

Reemployment rules for Service Retirement do not apply if you have been retired for more than five years.

(For disability retirement rules, please see the following page.)

I acknowledge that I have received this information about my obligation with regard to reemployment and I agree to notify the Board of Trustees of my anticipated earnings should I return to work. I also understand that, should I exceed the earnings limitations imposed by law, my monthly retirement allowance may be reduced or terminated until such time that any resulting overpayment of benefits is recovered. I understand that I must be separated from any and all employment, including substitute, seasonal, temporary, contractual, and/or permanent employment, with any employer that participates in the SRPS at the date of my retirement. By signing this form, I am certifying to the Maryland State Retirement Agency that at the date of my retirement, I will not be employed in any capacity by any employer that participates in the SRPS and that no discussions or offers of reemployment after my retirement have occurred between me and any employer that participates in the SRPS.

MARYLAND RETIREMENT LAW REGARDING REEMPLOYMENT
(continued from previous page)

DISABILITY RETIREMENT

Suspension of Disability Retirement: An Ordinary or Special Disability allowance shall be temporarily suspended if the retiree:

- Is not eligible for normal service retirement, and
- Is employed by a participating employer as a probationary status law enforcement officer, a law enforcement officer, or chief as defined in §3-101 of the Public Safety Article, and
- Is receiving an annual compensation that is at least equal to the retiree's average final compensation at retirement.

There is no additional benefit accrued while employed. If suspended, the retiree's allowance will be reinstated on the first day of the month following the month in which the retiree ceased employment with the participating employer. The retiree's allowance at time of reinstatement will be adjusted to reflect the accumulated cost of living adjustments during suspension. Please note that the temporary suspension of disability benefit causes the temporary suspension of retiree health insurance coverage.

Earnings Limitation for Ordinary Disability Retirees Only: An Ordinary Disability allowance shall be reduced if the retiree:

- Is under normal retirement age, and
- Is employed by a participating employer as a probationary status law enforcement officer, a law enforcement officer, or chief as defined in §3-101 of the Public Safety Article, and
- Is receiving an annual compensation that exceeds the retiree's earnings limitation.

The reduction will be \$1.00 for every \$2.00 over the limit if the retiree has been retired less than 10 years. If the retiree has been retired 10 years or longer, the reduction will be \$1.00 for every \$5.00 over the limit.

An earnings limitation does not apply for Special Disability Retirees.

If you have any questions, call a Retirement Benefits Specialist at 410-625-5555 or toll free 1-800-492-5909 to understand how the reemployment provisions apply to you. We will make every effort to assist you in understanding your options, but it is your responsibility to advise us of your reemployment.
