Please refer to the “Special Tax Notice Regarding Your Rollover Options” for important information regarding your options to continue to defer federal income tax on your plan benefits.
Payment of LEOPS benefits: The SRA begins paying the normal service retirement allowance, increased by any cost-of-living adjustments occurring during DROP participation. The allowance is not adjusted for any increases in the member's earnable compensation or additional unused sick leave.
DROP Death Benefits | If the participant dies prior to ending DROP participation, the balance in the DROP account is paid to the participant's surviving spouse. If not survived by a spouse, the participant's children who have not attained age 26 are entitled to the balance in the DROP account. If the DROP participant is not survived by a spouse or minor children, the balance in the account is payable to the designated beneficiary. SRA also begins paying the surviving spouse 50% of the participant's normal service retirement allowance (computed as of the date of the participant’s election to participate in the DROP).
Other | While in DROP, a State participant is subject to the personnel law, regulations and policies applicable to an employee of the State. The participant continues to receive compensation, health insurance and other benefit options established under the State employee and retiree health and welfare benefit program.
APPLICATION FOR SERVICE OR DISABILITY RETIREMENT
LAW ENFORCEMENT OFFICERS

IMPORTANT: This form must be completed and filed within 120 days of notification of Board approval for disability retirement. COMAR 17.04.03.16E states, if a State employee is approved for disability retirement by SRA, unless the employee resigns or is removed earlier, the employee shall be considered resigned from State service as of the 120th day after the approval.

INSTRUCTIONS FOR COMPLETION OF APPLICATION

IMPORTANT: Read the following instructions and information carefully before filling out this form.

1. If you are married at time of retirement, you must choose the Basic Allowance.

2. After you have completed this form, you should also complete Forms 85 (Direct Deposit - Electronic Funds Transfer Sign-Up) and 766 (Federal and Maryland State Tax Withholding Request) and forward them to your Retirement Coordinator.

3. If you have chosen the Basic Allowance or payment option 2, 3, 5 or 6, you must verify your beneficiary's date of birth by attaching a copy of his or her birth certificate, valid driver's license or other proof. For information on acceptable proofs of birth date, call a Retirement Benefits Specialist at the number shown below.

4. If you are electing Option 2 or 5, you cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is your disabled child. If you elect Option 2 or Option 5 and designate your disabled child, you must submit a completed Form 143 (Verification of Retiree's Disabled Child for Selection of Option 2/5 Beneficiary) with this application.

5. If you wish to purchase previous service or apply for military service for which you are eligible, ask your Retirement Coordinator for the proper form(s) and submit it with this application. Additional credit cannot be claimed or purchased after your retirement.

6. If you wish to name more than one beneficiary and you are choosing the Option 1 Allowance or the Option 4 Allowance, you should not fill out the “Designation of Beneficiary” section on page 2. Instead, fill out and attach Form 4 (Designation of Beneficiary Form).

7. If you are eligible to participate in the State Employees Health Insurance Program, The Basic Allowance or Option 2, 3, 5 or 6 continue health program coverage for your eligible surviving dependents, after your death. Contact your employing agency for details.

8. You may change your retirement allowance selection only by filing a change with the State Retirement Agency before your first payment is due. In most cases, the first payment is due 30 days after the effective date of your retirement. You cannot change your selection after this due date.

9. If you die before the effective date of your retirement, your beneficiary cannot receive a retirement allowance even if you have completed this form. If you are still in active service at the time of your death, your beneficiary is only eligible for the active service death benefit.

10. You may change your beneficiary at any time. Depending on the option you have chosen, however, your retirement allowance may have to be recalculated to reflect the change. Your benefit amount could be reduced as a result of the change. For more information, call a Retirement Benefits Specialist.

11. You must retire within 30 days of separating from employment with a participating employer to receive additional creditable service for your unused sick leave. Unused sick leave is sick leave that was available to an employee as sick leave during employment and was not used before retirement. Any converted leave that was not sick leave during employment may not be reported.

12. Generally speaking, no member may receive more than one type of retirement benefit.

13. If you have voluntary contributions in your account and have elected to withdraw them in a lump sum, you must attach a completed Application for Withdrawal of Voluntary Funds Package to this application. This package may be obtained by calling a Retirement Benefits Specialist at the number shown below.

NEED HELP?: If you need help to complete this form, or any information on your retirement benefits or retirement process, call a Retirement Benefits Specialist at 410-625-5555 or toll-free 1-800-492-5909.
Reemployment After Retirement
for Retirees of the Law Enforcement Officers’ Pension System

VIDEO: For an overview of this information, go to sra.maryland.gov, select YouTube or Vimeo and watch “Reemployment After Retirement.”

Keep a copy of this information on file as a handy reference for the future. You should also keep your Notice of Retirement Allowance that the Retirement Agency will send to you as a new retiree. The Notice of Retirement Allowance includes information such as the amount of your monthly retirement allowance, the beneficiary you designated and your earnings limitation. To determine what, if any, earnings limitation applies and the effect, if any, on your retirement allowance, you need your Notice of Retirement Allowance to identify the type of retirement you are receiving (service, ordinary disability or accidental disability) and your earnings limitation. Then apply the reemployment rules. Reemployment earnings are the annual reemployment compensation reported to the IRS that the retiree received during a calendar year. Note the reemployment rules do not apply while a retiree is participating in the Deferred Retirement Option Program (DROP).

Under no circumstances should your decision to retire be conditioned upon an offer of reemployment, and in fact, no offers of reemployment should be discussed by you and your employer prior to your retirement. However, if after your retirement you consider reemployment with an employer that participates in the State Retirement and Pension System (SRPS) you need to be aware of two important issues: Internal Revenue Service (IRS) guidelines regarding reemployment and Maryland retirement law regarding reemployment.

INTERNAL REVENUE SERVICE GUIDELINES REGARDING REEMPLOYMENT

There can be significant consequences to you and the SRPS if you retire before the normal retirement age of your plan and/or before age 59 1/2, and are reemployed with the same employer without a bona fide separation of service. Please note that all units of Maryland state government, including the University System of Maryland, are considered one employer.

The IRS can impose a significant tax penalty on your income if you are under the age of 59 1/2, retire and begin receiving your monthly retirement benefits, and are reemployed by the same employer from whom you retired. In order to avoid this penalty there must be a bona fide separation from service between you and your former employer.

If you retire before your normal retirement age, there are also serious IRS consequences to the SRPS if a bona fide separation does not take place following retirement and prior to reemployment with the same employer.

While the IRS has not specifically defined what constitutes a bona fide separation from service, it is clear that the more differences between your last job before retirement and the job being performed upon your reemployment, and the longer the break between the date of your retirement and the date of your reemployment, the more likely it is that there has been a bona fide separation of service. If you are reemployed to perform the same job, even if there is a reduction in your work schedule, this would not likely qualify as a bona fide separation of service unless there is a lengthy break in employment. Even arrangements where you are rehired as an “independent contractor” may not meet the IRS’ standard.

MARYLAND RETIREMENT LAW REGARDING REEMPLOYMENT

There must be a minimum of 45 DAYS between your retirement date and the date you are rehired by any employer that is a participating employer in the SRPS. All units of Maryland state government, including the University System of Maryland, are considered to be one employer under these reemployment rules.

Additionally, employment after retirement, under certain conditions, may cause your retirement allowance to be reduced.

SERVICE RETIREMENT

There is no earnings limit regardless of your employer. Your monthly benefit allowance will not be reduced by any earnings made after you have retired. If you are reemployed by a participating employer, you will not rejoin the system and you will not earn service credit from your new employment.

( FOR DISABILITY RETIREMENT RULES, PLEASE SEE FOLLOWING PAGE )

I acknowledge that I have received this information about my obligation with regard to reemployment and I agree to notify the Board of Trustees of my anticipated earnings should I return to work. I also understand that should I exceed the earnings limitations imposed by law, my monthly retirement allowance may be reduced or terminated until such time that any resulting overpayment of benefits is recovered. I understand that I must be separated from any and all employment, including substitute, seasonal, temporary, contractual, and/or permanent employment, with any employer that participates in the SRPS at the date of my retirement. By signing this form, I am certifying to the Maryland State Retirement Agency that at the date of my retirement, I will not be employed in any capacity by any employer that participates in the SRPS and that no discussions or offers of reemployment after my retirement have occurred between me and any employer that participates in the SRPS.
Suspension of Disability Retirement: An ordinary or accidental disability allowance shall be temporarily suspended if the retiree:

- Is not eligible for normal service retirement, and
- Is employed by a participating employer as a probationary status law enforcement officer, a law enforcement officer, or chief as defined in §3-101 of the Public Safety Article, and
- Is receiving an annual compensation that is at least equal to the retiree’s average final compensation at retirement.

There is no additional benefit accrued while employed. If suspended, the retiree’s allowance will be reinstated on the first day of the month following the month in which the retiree ceased employment with the participating employer. The retiree’s allowance at time of reinstatement will be adjusted to reflect the accumulated cost-of-living adjustments during suspension. Please note that the temporary suspension of a disability benefit causes the temporary suspension of retiree health insurance coverage if a deduction was being made from your monthly benefit for this coverage.

Earnings Limitation for Ordinary Disability Retirees Only: A retiree receiving an ordinary disability allowance shall be subject to an earnings limitation if the retiree:

- Is under normal retirement age, and
- Is employed by a participating employer as a probationary status law enforcement officer, a law enforcement officer, or chief as defined in §3-101 of the Public Safety Article, and
- Is receiving an annual compensation that exceeds the retiree’s earnings limitation.

The reduction will be $1 for every $2 earned in excess of the limit, if you have been retired less than 10 years. If you have been retired 10 years or longer, the reduction will be $1 for every $5 over the limit.

An earnings limitation does not apply for Accidental Disability Retirees.

If you have any questions, call a retirement benefits specialist at 410-625-5555 or toll free 1-800-492-5909 to understand how the reemployment provisions apply to you. We will make every effort to assist you in understanding your options, but it is your responsibility to advise us of your reemployment.

RETIREMENT ALLOWANCE OPTIONS

YOU MAY CHOOSE ONLY ONE OF THE FOLLOWING OPTIONS. INDICATE YOUR SELECTION BY SIGNING IN THE APPROPRIATE BOX BELOW

BLOCK 1 - BASIC ALLOWANCE
The BASIC ALLOWANCE provides the largest allowance each month until your death. At your death, one-half of the monthly allowance will be paid to your surviving spouse for life. If there is no eligible surviving spouse or if an eligible surviving spouse dies, then one-half of the monthly allowance will be paid in equal shares to your children who are under age 26 until every child dies or attains age 26. If you have no spouse or no children under age 26, the allowance ceases at your death and your beneficiary or estate will receive one payment if your death occurs on the 16th of the month or later. If you die before the effective date of retirement, your selection shall be void and benefits due to the death of a member in service will be paid. If you choose this option, you must send proof of your beneficiary’s date of birth with this application.

SIGNATURE ___________________________ DATE ___________________________

BLOCK 2 - OPTIONAL ALLOWANCES
The following optional allowances are only available to members without a spouse as of the date of retirement. Sign the appropriate section in this block to indicate the selected option. Optional allowances are effective on the effective date of retirement. If you die before the effective date, the selected option shall be void and the benefits due to death of a member in service will be paid. The selected option cannot be changed after the first payment normally becomes due.

OPTION 1:
Provides a lower monthly benefit than the Basic Allowance, but guarantees monthly payments that equal the total of your retirement benefit’s Present Value. The Present Value of your benefit is figured at the time of your retirement. If you die before receiving monthly payments that add up to the Present Value, the remaining payments will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive. For state employees: Option 1 does not provide for continued health coverage after your death.

SIGNATURE ___________________________ DATE ___________________________

OPTION 2:
Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit will continue to be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary’s date of birth with this application. Retirees electing Option 2 cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is the retiree’s disabled child.

SIGNATURE ___________________________ DATE ___________________________

OPTION 3:
Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary’s date of birth with this application.

SIGNATURE ___________________________ DATE ___________________________

OPTION 4:
Provides a lower monthly benefit than the Basic Allowance, but guarantees the return of your accumulated contributions and interest as established when you retire. If you die before you have recovered the full amount of your accumulated contributions and interest, the remainder will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive. For state employees: Option 4 does not provide for continued health coverage after your death.

SIGNATURE ___________________________ DATE ___________________________

OPTION 5:
Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will “pop-up” to the Basic Allowance for your lifetime the month following the death of your beneficiary if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 5 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary’s date of birth with this application. Retirees electing Option 5 cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is the retiree’s disabled child.

SIGNATURE ___________________________ DATE ___________________________

OPTION 6:
Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will “pop-up” to the Basic Allowance for your lifetime the month following the death of your beneficiary if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 6 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary’s date of birth with this application.

SPECIAL TAX NOTICE REGARDING YOUR ROLLOVER OPTIONS

You are receiving this notice because all or a portion of a payment you are receiving from the Maryland State Retirement and Pension System (the "Plan") is eligible to be rolled over to an IRA or an employer plan. This notice is intended to help you decide whether to do such a rollover.

This notice is provided to you by the State Retirement Agency (your "Plan Administrator") because all or part of the payment that you will soon receive from the Plan may be eligible for rollover by you or your Plan Administrator to an IRA or an eligible employer plan. A rollover is a payment by you or the Plan Administrator of all or part of your benefit to another plan or IRA that allows you to continue to postpone taxation of that benefit until it is paid to you. Your payment cannot be rolled over to a SIMPLE IRA or a Coverdell Education Savings Account (formerly known as an education IRA). An "eligible employer plan" includes a plan qualified under section 401(a) of the Internal Revenue Code, including a 401(k) plan, profit-sharing plan, defined benefit plan, stock bonus plan, and money purchase plan; a section 403(a) annuity plan; a section 403(b) tax-sheltered annuity; and an eligible section 457(b) plan maintained by a governmental employer (governmental 457 plan).

This Notice is designed to satisfy the requirements of Section 402(f) of the Internal Revenue Code. The State Retirement Agency has customized the IRS Safe Harbor Explanation by omitting those portions of the Notice that do not apply to the Plan and by providing additional relevant information.

An eligible employer plan is not legally required to accept a rollover. Before you decide to roll over your payment to another employer plan, you should find out whether the plan accepts rollovers and, if so, the types of distributions it accepts as a rollover. You should also find out about any documents that are required to be completed before the receiving plan will accept a rollover. Even if an eligible employer plan accepts rollovers, it might not accept rollovers of certain types of distributions, such as after-tax amounts. If this is the case, and your distribution includes after-tax amounts, you may wish instead to roll your distribution over to an IRA or split your rollover amount between the employer plan in which you will participate and an IRA. If an eligible employer plan accepts your rollover, the plan may restrict subsequent distributions of the rollover amount or may require your spouse's consent for any subsequent distribution. A subsequent distribution from the plan that accepts your rollover may also be subject to different tax treatment than distributions from this Plan. Check with the administrator of the plan that is to receive your rollover prior to making the rollover.

Rules that apply to most payments from a plan are described in the "General Information About Rollovers" section. Special rules that only apply in certain circumstances are described in the "Special Rules and Options" section.

GENERAL INFORMATION ABOUT ROLLOVERS

How can a rollover affect my taxes?

You will be taxed on a payment from the Plan if you do not roll it over. If you are under age 59½ and do not do a rollover, you will also have to pay a 10% additional income tax on early distributions (unless an exception applies).

If you do a rollover to a traditional IRA or an eligible employer plan, you will not have to pay tax until you receive payments later from the IRA or plan, and the 10% additional income tax will not apply if those payments are made after you are age 59½ (or if an exception applies).

If you do a rollover to a Roth IRA, you will be taxed on the amount rolled over (reduced by any after-tax amount). However, if you are under age 59½ at the time of the rollover, the 10% additional income tax will not apply. See the section below titled "If you roll over your payment to a Roth IRA" for more details.
Where may I roll over the payment?

You may roll over the payment to either an IRA (an individual retirement account or individual retirement annuity) or an employer plan (a tax-qualified section 401(a) plan, section 403(b) plan, or governmental section 457(b) deferred compensation plan) that will accept the rollover. The rules of the IRA or employer plan that holds the rollover will determine your investment options, fees, and rights to payment of the rolled over amount in the future. Further, the amount rolled over will become subject to the tax rules that apply to the IRA or employer plan.

How do I do a rollover?

There are two ways to do a rollover. You can do either a direct rollover or a 60-day rollover.

If you do a direct rollover, the Plan will make the payment directly to your IRA or an employer plan. You should contact the IRA sponsor or the administrator of the employer plan for information on how to do a direct rollover.

If you do not do a direct rollover, the Plan is required to withhold 20% of the payment for federal income taxes. In addition, the Plan is required to withhold 7.75% for Maryland residents. If you do not do a direct rollover, you may still do a rollover by making a deposit into an IRA or eligible employer plan that will accept it. You will have 60 days after you receive the payment to make the deposit. This means that, in order to roll over the entire payment in a 60-day rollover, you must use other funds to make up for the 20% withheld. If you do not roll over the entire amount of the payment, the portion not rolled over will be taxed and will be subject to the 10% additional income tax on early distributions if you are under age 59 ½ (unless an exception applies).

How much may I roll over?

If you wish to do a rollover, you may roll over all or part of the amount eligible for rollover. Any payment from the Plan is eligible for rollover, except:

- Certain payments spread over a period of at least 10 years or over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary) (This means that your lifetime monthly benefits are not eligible for rollover.)
- Required minimum distributions after age 70 ½ (or after death)
- Corrective distributions of contributions that exceed tax law limitations

The Plan administrator or the payor can tell you what portion of a payment is eligible for rollover.

If any portion of your payment is taxable but cannot be rolled over, the mandatory withholding rules described above do not apply. In this case, you may elect not to have withholding apply to that portion. If you do nothing, an amount will be taken out of this portion of your payment for federal income tax withholding. To elect out of withholding, ask the Plan administrator for the election form and related information.

If I don't do a rollover, will I have to pay the 10% additional income tax on early distributions?

If you are under age 59 ½, you will have to pay the 10% additional income tax on early distributions for any payment from the Plan (including amounts withheld for income tax) that you do not roll over, unless one of the exceptions listed below applies. This tax is in addition to the regular income tax on the payment not rolled over.

The 10% additional income tax does not apply to the following payments from the Plan:

- Payments made after you separate from service if you will be at least age 55 in the year of the separation
• Payments that start after you separate from service if paid at least annually in equal or close to equal amounts over your life or life expectancy (or the lives or joint life expectancy of you and your beneficiary)
• Payments from a governmental defined benefit pension plan made after you separate from service if you are a public safety employee and you are at least age 50 in the year of the separation
• Payments made due to disability
• Payments after your death
• Corrective distributions of contributions that exceed tax law limitations
• Payments made directly to the government to satisfy a federal tax levy
• Payments made under an eligible domestic relations order (EDRO) to an alternate payee who is a former spouse of the member
• Payments up to the amount of your deductible medical expenses

If I do a rollover to an IRA, will the 10% additional income tax apply to early distributions from the IRA?

If you receive a payment from an IRA when you are under age 59 ½, you will have to pay the 10% additional income tax on early distributions from the IRA, unless an exception applies. In general, the exceptions to the 10% additional income tax for early distributions from an IRA are the same as the exceptions listed above for early distributions from a plan. However, there are a few differences for payments from an IRA, including:

• There is no exception for payments after separation from service that are made after age 55.
• The exception for eligible domestic relations orders (EDROs) does not apply (although a special rule applies under which, as part of a divorce or separation agreement, a tax-free transfer may be made directly to an IRA of a former spouse).
• The exception for payments made at least annually in equal or close to equal amounts over a specified period applies without regard to whether you have had a separation from service.
• There are additional exceptions for (1) payments for qualified higher education expenses, (2) payments up to $10,000 used in a qualified first-time home purchase, and (3) payments for health insurance premiums after you have received unemployment compensation for 12 consecutive weeks (or would have been eligible to receive unemployment compensation but for self-employed status).

Will I owe State income taxes?

Except as described above in “How do I do a rollover,” this notice does not describe any State or local income tax rules (including withholding rules).

SPECIAL RULES AND OPTIONS

If your payment includes after-tax contributions

After-tax contributions included in a payment are not taxed. If a payment is only part of your benefit, an allocable portion of your after-tax contributions is included in the payment, so you cannot take a payment of only after-tax contributions. However, if you have pre-1987 after-tax contributions maintained in a separate account, a special rule may apply to determine whether the after-tax contributions are included in a payment. In addition, special rules apply when you do a rollover, as described below.

You may roll over to an IRA a payment that includes after-tax contributions through either a direct rollover or a 60-day rollover. You must keep track of the aggregate amount of the after-tax contributions in all of your IRAs (in order to determine your taxable income for later payments from the IRAs). If you do a direct rollover of only a portion of the amount paid from the Plan and at the same time the rest is paid to you, the portion directly rolled over consists first of the amount that would be taxable if not rolled over. For example, assume you are receiving a distribution of $12,000, of which $2,000 is after-tax contributions. In this case, if
you directly roll over $10,000 to an IRA that is not a Roth IRA, no amount is taxable because the $2,000 amount not directly rolled over is treated as being after-tax contributions. If you do a direct rollover of the entire amount paid from the Plan to two or more destinations at the same time, you can choose which destination receives the after-tax contributions.

If you do a 60-day rollover to an IRA of only a portion of the payment made to you, the after-tax contributions are treated as rolled over last. For example, assume you are receiving a distribution of $12,000, of which $2,000 is after-tax contributions, and no part of the distribution is directly rolled over. In this case, if you roll over $10,000 to an IRA that is not a Roth IRA in a 60-day rollover, no amount is taxable because the $2,000 amount not rolled over is treated as being after-tax contributions.

You may roll over to an employer plan all of a payment that includes after-tax contributions, but only through a direct rollover (and only if the receiving plan separately accounts for after-tax contributions and is not a governmental section 457(b) plan). You can do a 60-day rollover to an employer plan of part of a payment that includes after-tax contributions, but only up to the amount of the payment that would be taxable if not rolled over.

If you miss the 60-day rollover deadline

Generally, the 60-day rollover deadline cannot be extended. However, the IRS has the limited authority to waive the deadline under certain extraordinary circumstances, such as when external events prevented you from completing the rollover by the 60-day rollover deadline. To apply for a waiver, you must file a private letter ruling request with the IRS. Private letter ruling requests require the payment of a nonrefundable user fee. For more information, see IRS Publication 590-A, Contributions to Individual Retirement Arrangements (IRAs).

If you were born on or before January 1, 1936

If you were born on or before January 1, 1936 and receive a lump sum distribution that you do not roll over, special rules for calculating the amount of the tax on the payment might apply to you. For more information, see IRS Publication 575, Pension and Annuity Income.

If you are an eligible retired public safety officer and your pension payment is used to pay for health coverage or qualified long-term care insurance

If you retired as a public safety officer and your retirement was by reason of disability or was after normal retirement age, you can exclude from your taxable income plan payments paid directly as premiums to an accident or health plan (or a qualified long-term care insurance contract) that your employer maintains for you, your spouse, or your dependents, up to a maximum of $3,000 annually. For this purpose, a public safety officer is a law enforcement officer, firefighter, chaplain, or member of a rescue squad or ambulance crew.

Note that the Form 1099-R that you receive from the Plan administrator will report the deducted insurance premium as taxable. If you want to take advantage of this exclusion, you must report the amount claimed on Form 1040. This is an annual election—you will need to report the exclusion for each year in which you want to claim the exclusion.

If you roll over your payment to a Roth IRA

If you roll over a payment from the Plan to a Roth IRA, a special rule applies under which the amount of the payment rolled over (reduced by any after-tax amounts) will be taxed. However, the 10% additional income tax on early distributions will not apply (unless you take the amount rolled over out of the Roth IRA within 5 years, counting from January 1 of the year of the rollover).
If you roll over the payment to a Roth IRA, later payments from the Roth IRA that are qualified distributions will not be taxed (including earnings after the rollover). A qualified distribution from a Roth IRA is a payment made after you are age 59 ½ (or after your death or disability, or as a qualified first-time homebuyer distribution of up to $10,000) and after you have had a Roth IRA for at least 5 years. In applying this 5-year rule, you count from January 1 of the year for which your first contribution was made to a Roth IRA. Payments from the Roth IRA that are not qualified distributions will be taxed to the extent of earnings after the rollover, including the 10% additional income tax on early distributions (unless an exception applies). You do not have to take required minimum distributions from a Roth IRA during your lifetime.

You cannot roll over a payment from the Plan to a designated Roth account in an employer plan.

For more information, see IRS Publication 590-A, Contributions to Individual Retirement Arrangements (IRAs), and IRS Publication 590-B, Distributions from Individual Retirement Arrangements (IRAs).

If you are not a plan member

Payments after death of the member. If you receive a distribution after the member's death that you do not roll over, the distribution will generally be taxed in the same manner described elsewhere in this notice. However, the 10% additional income tax on early distributions and the special rules for public safety officers do not apply, and the special rule described under the section "If you were born on or before January 1, 1936" applies only if the member was born on or before January 1, 1936.

If you are a surviving spouse. If you receive a payment from the Plan as the surviving spouse of a deceased member, you have the same rollover options that the member would have had, as described elsewhere in this notice. In addition, if you choose to do a rollover to an IRA, you may treat the IRA as your own or as an inherited IRA.

An IRA you treat as your own is treated like any other IRA of yours, so that payments made to you before you are age 59 ½ will be subject to the 10% additional income tax on early distributions (unless an exception applies) and required minimum distributions from your IRA do not have to start until after you are age 70 ½.

If you treat the IRA as an inherited IRA, payments from the IRA will not be subject to the 10% additional income tax on early distributions. However, if the member had started taking required minimum distributions, you will have to receive required minimum distributions from the inherited IRA. If the member had not started taking required minimum distributions from the Plan, you will not have to start receiving required minimum distributions from the inherited IRA until the year the member would have been age 70 ½.

If you are a surviving beneficiary other than a spouse. If you receive a payment from the Plan because of the member's death and you are a designated beneficiary other than a surviving spouse, the only rollover option you have is to do a direct rollover to an inherited IRA. If you do not do a direct rollover to an inherited IRA, the Plan must withhold 20% of the payment for federal income tax. Payments from the inherited IRA will not be subject to the 10% additional income tax on early distributions. You will have to receive required minimum distributions from the inherited IRA.

* A spouse is an individual recognized under a marriage validly entered into in any state or foreign jurisdiction, whether opposite-gender or same-gender, and regardless of whether or not those married individuals reside in the state or foreign jurisdiction in which such marriage occurred. A domestic partner is not treated as a spouse under federal law.

Payments under an eligible domestic relations order. If you are the former spouse of the member who receives a payment from the Plan under an eligible domestic relations order (EDRO), you generally have the same
options the member would have (for example, you may roll over the payment to your own IRA or an eligible employer plan that will accept it). Payments under the EDRO will not be subject to the 10% additional income tax on early distributions.

If you are a nonresident alien

If you are a nonresident alien and you do not do a direct rollover to a U.S. IRA or U.S. employer plan, instead of withholding 20%, the Plan is generally required to withhold 30% of the payment for federal income taxes. If the amount withheld exceeds the amount of tax you owe (as may happen if you do a 60-day rollover), you may request an income tax refund by filing Form 1040NR and attaching your Form 1042-S. See Form W-8BEN for claiming that you are entitled to a reduced rate of withholding under an income tax treaty. For more information, see also IRS Publication 519, U.S. Tax Guide for Aliens, and IRS Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities.

Other special rules

If a payment is one in a series of payments for less than 10 years, your choice whether to make a direct rollover will apply to all later payments in the series (unless you make a different choice for later payments).

If your payments for the year are less than $200, the Plan is not required to allow you to do a direct rollover and is not required to withhold for federal income taxes. However, you may do a 60-day rollover.

You may have special rollover rights if you recently served in the U.S. Armed Forces. For more information, see IRS Publication 3, Armed Forces’ Tax Guide.

NOTICE PERIOD

Generally, payment cannot be made from the Plan until at least 30 days after you receive this notice. Thus, you have at least 30 days to consider whether or not to have your payment rolled over. If you do not wish to wait until this 30-day notice period ends before your election is processed, you may waive the notice period by making an affirmative election indicating whether or not you wish to make a direct rollover. Your payment will then be processed in accordance with your election as soon as practical after it is received by the Plan administrator.

FOR MORE INFORMATION

You may wish to consult with the Plan administrator or a professional tax advisor, before taking a payment from the Plan. Also, you can find more detailed information on the federal tax treatment of payments from employer plans in: IRS Publication 575, Pension and Annuity Income; IRS Publication 590-A, Contributions to Individual Retirement Arrangements (IRAs); IRS Publication 590-B, Distributions from Individual Retirement Arrangements (IRAs); and IRS Publication 571, Tax-Sheltered Annuity Plans (403(b) Plans). These publications are available from a local IRS office, on the web at www.irs.gov, or by calling 1-800-TAX-FORM.

The State Retirement Agency strongly urges you to consult with a qualified tax advisor, the Internal Revenue Service, or a Certified Public Accountant regarding the tax consequences of your distribution as it relates to your specific tax situation.

ACKNOWLEDGMENTS:

By submitting this application, I hereby acknowledge and certify, as follows:

1) **Understand the DROP.** I have carefully reviewed the summary of the terms of the DROP and Section 26.401.1 of the Annotated Code of Maryland regarding the DROP. I have discussed any questions I have about retirement benefits payable under the DROP and the Law Enforcement Officers’ Pension System with a retirement benefits specialist at the Maryland State Retirement Agency.

2) **Irrevocable Election.** My election to participate in the DROP is irrevocable.

3) **Retiree.** As of the effective date of my DROP participation, I have retired from the Law Enforcement Officers’ Pension System, and therefore, during my DROP participation period, I will not earn any additional service credits in, or make member contributions to the Law Enforcement Officers’ Pension System. Nor will any increases in salary affect my Average Final Compensation.

4) **Agency Acceptance of Application.** My election to participate in the DROP will not be accepted by the State Retirement Agency if I do not: (a) satisfy the eligibility requirements for the DROP specified in the Annotated Code of Maryland, section 26.401.1; or (b) submit the required attachments specified in Section III of this Application. The Agency shall notify me promptly if my application is not accepted.

5) **Agency Audit of Retirement Account.** The period of my participation in the DROP is subject to adjustment by the State Retirement Agency on audit of my retirement account. If the Agency makes any adjustments to my retirement account that affects my participation in the DROP, including the duration of my participation in the DROP, I understand that the Agency will notify me of the adjustment and I agree to promptly submit to the Agency a revised application to participate in the DROP.

6) **Unused Sick Leave.** As of the effective date of my participation in the DROP, the Agency computed my normal service retirement allowance, granting me creditable service for my unused sick leave as provided in §20-206 of the Pension Article, Annotated Code of Maryland. If, at the end of my DROP participation period, I have any unused sick leave, I will not receive any additional creditable service and my retirement allowance will not be adjusted.

7) **Beneficiary.** If I die before the end of the DROP participation period, the balance in my DROP account shall be payable as follows:
   (a) to my surviving spouse;
   (b) if I am not survived by my spouse, in equal shares to my children who have not attained age 26;
   (c) if I am not survived by my spouse or any child who is under age 26, to the person named as the beneficiary of my retirement allowance on the Application For Service Retirement (SRA Form 98) submitted with this application; or
   (d) if the person designated as the beneficiary of my retirement allowance on the SRA Form 98 is not living, to my estate.

8) **Voluntary Funds.** I understand that partition in the DROP precludes me from withdrawing my voluntary funds, if any. The State Retirement Agency shall pay my voluntary money as an additional annuity over my lifetime (if applicable).

9) **Accidental Disability Retirement.** I understand that as a DROP member I am eligible for line of duty (accidental) disability benefits only if I am totally and permanently incapacitated for duty as a result of an accident or condition that arises out of or in the course of the actual performance of duty during my participation in the DROP, and without willful negligence on my part.

10) **Rollover Options (“Special Tax Notice”).** I have had an opportunity to review the Special Tax Notice with my tax advisor, accountant, attorney, or the IRS, and understand my options with respect to receipt of a distribution from the System at this time. I understand that I have at least 30 days to review the Special Tax Notice and consider whether or not to have my payment rolled over. I further understand that, if I complete and submit this form prior to the end of the 30-day period for reviewing the Special Tax Notice, I have waived my right to the 30-day period to review the Special Tax Notice.

11) **Interest.** DROP accounts receive 4% interest compounded annually. Interest is calculated based on the beginning balance (2%) and the ending balance (2%) and is calculated at fiscal year end, June 30 or at termination.

SECTION III — REQUIRED ATTACHMENTS: Attached to this application are the following:

1) Application For Service Retirement (SRA Form 98) and
