Retirement Checklist

MEMBERS PLANNING TO RETIRE within the next 12 months should now be taking specific steps toward that goal. This checklist provides a general timetable for retirement preparation for members of the Employees' and Teachers' Retirement and Pension Systems. It also is a useful guide for members of other systems. This schedule shows the best time to begin filing some of the required forms and making the necessary contacts with the Retirement Agency.

One to three years prior to retirement

- Attend one of the Retirement Agency’s pre-retirement seminars. Registration forms are available online. Seminars are conducted in the spring and fall.

Twelve months prior to retirement

- Request an Application for an Estimate of Benefits (Form 9). Keep in mind that this form is not a retirement application. It is designed for planning purposes only. You may request an estimate only during the 12 months prior to your planned retirement date.

  Note: You are not required to obtain an estimate before retiring. However, it is strongly recommended, as retirees are not permitted to change their option after their first monthly benefit is paid.

  Note: The Retirement Agency is processing a large volume of requests. Please make sure to plan up to 12 months in advance so you can receive your estimate before making any irrevocable retirement decisions.

- Apply to purchase any eligible service by submitting a Request to Purchase Previous Service (Form 26) along with your request for an estimate.

- Apply for any eligible military credit using a Claim of Retirement Credit for Military Service (Form 43).

- Contact the nearest Social Security office for an estimate of your Social Security benefits. You can obtain an estimate request form by calling the Social Security Administration at 1-800-772-1213.

Six months prior to retirement

- If desired, schedule an appointment with a retirement benefits specialist to review your estimated benefits. You may meet at the Retirement Agency’s Baltimore offices or at a location near you. (See page 2 for regional counseling dates and locations.) It is recommended that you bring a copy of your latest estimate so you and the specialist can discuss this information at the meeting.

- Discuss your estimated benefits and options with your family and financial advisor.

- Obtain proof of birth for beneficiary (for allowance Option 2, 3, 5 or 6).

- Contact your personnel office to inquire if you may continue employer-provided benefits, such as health insurance, after retiring.

- Prepare a retirement budget, estimating your retirement expenses against your state pension benefit, Social Security and any other income.

- Update or prepare a will and, if desired, a power of attorney.

Three months prior to retirement

- Contact Social Security to file for benefits (if age 62 or older).

Two months prior to retirement

- Contact your personnel office and file your actual retirement application, Application for Service or Disability Retirement (Form 13-23).

- Provide proof of birth for designated beneficiary (for allowance Option 2, 3, 5 or 6).

- If eligible, complete authorization forms to continue your health coverage and any other benefits provided by your employer.

- Complete and submit a Direct Deposit Electronic Fund Transfer Sign-Up (Form 85) for the electronic transmission of your payment to your bank, savings institution or credit union.

  Note: Direct deposit is mandatory for all retirees.

- Complete Reemployment After Retirement (Form 127) to acknowledge an understanding of any consequences of reentering the workforce.

- Complete a Federal and Maryland State Tax Withholding Request (Form 766).

One month prior to retirement

- Submit a formal letter of retirement to your employer.
