**Former Trustee Hill reelected to System Board**

SHEILA HILL, a retired correctional officer who previously represented active members of the Employees’ Systems on the Board of Trustees of the Maryland State Retirement and Pension System for nearly a decade, was again elected to the Board this spring as a representative of retired employees.

The returning Trustee’s four year term began August 1, 2015.

Originally elected by members and retirees of the Employees’ Systems in 2004, Ms. Hill was ineligible to return to that post following her retirement as a correctional officer in 2012. As a

**Understanding your 1099-R**

Internal Revenue Service tax Form 1099-R will be mailed to all Maryland State Retirement and Pension System payees by the end of January 2016.

FORM 1099-R PROVIDES EACH PAYEE with detailed information on his or her pension income for the previous year.

Most payees receive only one 1099-R tax form each year. However, persons who retired in 2015 will receive a separate 1099-R tax form for any additional refunds they received, such as a refund of voluntary annuity contributions.

Additionally, retirees who turned age 59 ½ in calendar year 2015 will receive two 1099-R forms. These retirees will receive a 1099-R form for annuity payments distributed in the calendar year prior to reaching age 59 ½ with a distribution code 2. They also will receive a separate 1099-R form for annuity payments distributed in the calendar year on or after they reached age 59 ½ with a distribution code 7.

The following key describes some of the most important components of your 1099-R tax form.

**BLOCK 1: Gross Distribution**

This is the total amount of pension benefits paid to you by the Maryland State Retirement Agency during the 2015 calendar year.

**BLOCK 2A: Taxable Amount**

This is the taxable amount of your pension benefit. Depending on your retirement date, retirement type and whether you contributed to your plan, you may not be taxed on the total amount of benefits paid to you. If this is the case, the amount shown in this block will differ from the amount in Block 1.

FOR ELIGIBLE RETIREES,
Block 17 of the 1099-R form contains the amount of your tax deferred contributions made under the State Retirement Pick-up Program. This figure is important for Maryland State income tax preparation.

The State Pick-up Program is concerned with the employee pension plan contributions made while working. It provides for the deferral of federal taxes when the contributions are made, but makes them taxable when received in the pension. Since this program only defers federal taxes at the time the contributions are made, state income taxes were deducted. The consequence in retirement is that the state income tax is deferred until the pick-up contributions are recovered.

While most members participated in the pick-up program, your participation was determined by whether your employer elected to participate and by whether your pension plan required you to make employee contributions.

Federal taxes
Since eligible members did not pay any federal taxes on their pick-up contributions during employment, taxes must be paid during retirement.

You do not need to make any special entries on your federal tax form – the retirement agency has included your pick-up contributions when computing the taxable amount of your pension for federal tax purposes.

Maryland state taxes
You have already paid Maryland State taxes on the pick-up contributions listed on your 1099-R. To avoid paying taxes twice, you must subtract the pick-up amount from your federal adjusted gross income shown on page 2 of your Maryland tax return (Form 502) as follows:

Enter your pick-up amount on line r of Form 502SU. Enter the sum of all subtractions from Form 502SU on line 13 of Form 502. Enter code letter "r" in the code letter box of Form 502. Please attach the Form 502SU to the Form 502. This serves as a subtraction from your income which will reduce your taxable net income on line 20 (Form 502).

The subtraction is limited to the amount of pick-up contribution stated on the 1099-R or the taxable pension, whichever is less. The remainder of the pick-up amount is carried over to next year's taxes. When the pick-up amount reaches zero, "EP USED" will be printed in the pick-up block on your 1099-R. This usually occurs within a few years after the date of retirement.

Did you retire in 2015?
For members who ended active employment and retired in 2015, the W-2 form you receive from your former employer will show 1) your annual wages earned prior to retirement and 2) any state pick-up contributions made in 2015. This state pick-up amount serves as an addition to state income for 2015. Enter this figure on line 3 of your Maryland tax return (Form 502).

FAQ’s
Retirees’ frequently asked questions

HAVE QUESTIONS? The Maryland State Retirement Agency has answers.

Q. What is my PIN number and what is it used for?
A. Your PIN, or Personal Identification Number, is your key to the Retirement Agency's automated phone system. With your PIN and Social Security number you can access your retirement account data. Your four-digit PIN is composed of the two-digit month and two-digit year of your retirement. For example, if you retired in July 2010, your PIN would be 0710.

Q. How can I check my beneficiaries on file?
A. You can confirm your beneficiary information by calling the Retirement Agency at 410-625-5555 or toll-free 1-800-492-5909 and using the agency’s automated phone system. To access this information you must enter your Social Security number and PIN.

Q. If members or retirees are unable to sign forms themselves, can a third party sign for them?
A. Yes. The legal guardian or attorney-in-fact under a power of attorney can sign and submit documents on behalf of a retiree. The power of attorney or guardianship order must be submitted to the Retirement Agency for review and approval. A copy will be kept on file. In cases of guardianship, the original guardianship order must be submitted.

EARNINGS on the Maryland State Retirement and Pension System’s $45.8 billion investment portfolio were 2.68% for the fiscal year ending June 30, 2015. Although the fund did not meet its 7.65% actuarial return target for this year, it exceeded the plan’s policy benchmark of 0.86% by 1.82 percentage points. The policy benchmark is a weighted average of the overall market performance of the underlying asset class indices.

“Investment returns moderated over fiscal year 2015 relative to recent years, particularly in foreign equities, as the strong dollar and concerns relating to global growth and the Greek debt situation weighed on performance,” said Andrew C. Palmer, Chief Investment Officer. “While absolute performance did not meet the actuarial target for the fiscal year, we are very pleased with the performance of our active management program, which continues to add significant value over the overall plan benchmark. For the fiscal year, active management added roughly $800 million in excess of the benchmark.”

"While earnings for this one year fell short of our expected rate of return, the Board continues to focus on long-term performance," said State Treasurer Nancy K. Kopp, Chair of the System’s Board of Trustees. "Over the last five years our average return has been close to 9.4%, a much more relevant measure of the overall health of our investment portfolio. Although this has been a challenging year for most institutional investors, the wisdom of the Board’s decision some time ago to diversify its portfolio has been borne out by its long term positive returns."

Mr. Palmer, former Deputy CIO of the Tennessee Office of the Treasurer, assumed the post of Maryland State Retirement and Pension System CIO on July 22, 2015.

"...for the support of state employees and retirees in allowing me to represent their interest in the oversight of the $45 billion fund."

She received 6,702 votes (75%) of the 8,911 votes cast in the spring 2015 election.

The 15-member Board of Trustees is responsible for establishing investment and administrative policy and overseeing the management of the Maryland State Retirement Agency, headquartered in Baltimore.
**Update your tax withholdings using Form 766**

RETIREES WHO WISH TO UPDATE THEIR TAX WITHHOLDING ELECTION must file a combined Federal and Maryland State Tax Withholding Request (Form 766) covering both federal and state taxes. For your convenience, Form 766 is available online at sra.maryland.gov or by calling or writing to the Maryland State Retirement Agency.

Current Internal Revenue Service (IRS) tax regulations require your federal tax withholding to be calculated using IRS tax withholding tables. You can no longer designate only a specific dollar amount to be withheld for federal tax. You must first designate your marital status and number of allowances on line 2 of the form. Then you can designate an additional amount to be withheld on Part I, line 3 of Form 766.

Form 766 revokes all prior federal and state tax withholding elections. For example, if you previously requested federal and state tax withholdings and now submit a new request indicating only state tax, your federal tax withholdings will be cancelled. You must fill out both sections of the form even if you wish to update only one portion of your withholdings.

Mr. Kenderdine has served as SRPS Executive Director since January 2007.
