Most payees receive only one 1099-R tax form each year. However, persons who retired in 2016 will receive a separate 1099-R tax form for any additional refunds they received, such as a refund of voluntary annuity contributions.

Internal Revenue Service (IRS) tax regulations require your federal and Maryland State Tax Withholding Request (Form 766) covering both federal and state taxes.

Most payees receive only one 1099-R tax form each year. However, persons who retired in 2016 will receive a separate 1099-R tax form for any additional refunds they received, such as a refund of voluntary annuity contributions.

INTERNAL REVENUE SERVICE TAX FORM 1099-R will be mailed to all Maryland State Retirement and Pension System payees by the end of January 2017.

Form 1099-R provides each payee with detailed information on his or her pension income for the previous year.

Fiscal year 2016 investment returns noted

The Board of Trustees of the Maryland State Retirement and Pension System announced that net earnings after fees on the $45.5 billion investment portfolio were 1.16% for the fiscal year ending June 30, 2016. While performing better than several other major funds, this year’s return was significantly below the plan’s long-term actuarial target of 7.55%.

“FY 2016 was a second difficult year for investors,” said Andrew C. Palmer, CFA, Chief Investment Officer of the Maryland State Retirement Agency. “Unlike FY 2015 where asset returns were broadly low, FY 2016 had returns that were low on average but displayed much larger variability among asset classes. MSRA’s balanced asset allocation helped us earn modest positive returns.”

Additionally, retirees who turned age 59 ½ in calendar year 2016 will receive two 1099-R forms. These retirees will receive a 1099-R form for annuity payments distributed in the calendar year prior to reaching age 59 ½ with a distribution code 2. They also will receive a separate 1099-R form for annuity payments distributed in the calendar year on or after the date they reached age 59 ½ with a distribution code 7.

The following key describes some of the most important components of your 1099-R tax form.

**BLOCK 1**: Gross Distribution
This is the total amount of pension benefits paid to you by the Maryland State Retirement Agency during the 2016 calendar year.

**BLOCK 2A**: Taxable Amount
This is the taxable amount of your pension benefit. Depending on your retirement date, retirement type and whether you contributed to your plan, you may not be taxed on the total amount of benefits paid to you. If this is the case, the amount shown in this block will differ from the amount in Block 1.

**BLOCK 4**: Federal Income Tax Withheld
This block shows any federal income tax deducted from your monthly pension benefits. To change the amount of federal income tax being withheld, complete a tax withholding request form (Form 766). See page 1.

**BLOCK 5**: Employee Contributions
This is the amount of your contributions that were recovered, tax free, during 2016. The dollar figure in this box does NOT represent the amount of any health insurance premiums withheld from your pension benefit.

**BLOCK 7**: Distribution Code(s)
IRS distribution codes are explained on the back of the 1099-R form.
Bd. of Trustees election slated

**RETIREEs AND ACTIVE MEMBERS** of the Maryland State Retirement and Pension System will elect two actively-employed representatives to the System’s Board of Trustees in an election slated for the spring/summer of 2017.

Candidates for these Board seats must be active members of either the Employees' or Teachers' Systems. Incumbent Trustees James A. Bush, Jr., and Kenneth B. Haines represent active members of these systems, respectively.

The Employees’ Systems include the Correctional Officers’ Retirement System, Employees’ Retirement and Pension Systems, Judges’ Retirement System, Legislative Pension Plan, Local Fire and Police System and Law Enforcement Officers’ Pension System. The Teachers’ Systems include the Teachers’ Retirement and Pension Systems.

The two successful candidates will serve terms in office from August 1, 2017, through July 31, 2021.

Both retirees and active members of the respective plans will be eligible to vote. Election materials, including candidate biographies, will be mailed in May of 2017 to all eligible voters.

Visit sra.maryland.gov/Agency/Board for more on the Board of Trustees, including trustee biographies and committee assignments.

**BLOCK 9B**: Total Employee Contributions

For retirees who received their first pension benefit in 2016, this block contains the value of any contributions made during employment that can be recovered tax-free. Only members who retired in 2016 and made pension contributions will see a value in this block. For members who retired prior to 2016, a zero will be printed in the block.

**BLOCK 12**: State Income Tax Withheld

Any Maryland State income tax deducted from your monthly benefit is shown in this block. To change the amount of Maryland state income tax being withheld, complete a tax withholding request form (Form 766). See page 1.

**BLOCK 17**: Pick-Up Contributions

This figure applies to members whose employers participated in the State Pick-up Program. For an explanation of pick-up contributions, see "State Retirement Pick-up and your taxes" on page 6.

**Need a duplicate 1099-R?**

For convenient access to your replacement form, go to sra.maryland.gov and follow the hyperlink **1099-R Duplicate** to print your 2016 tax statement. Forms will be available for reprint by no later than February 10, 2017.

1) Print Change of Address Form for Payees (Form 77) from Retirement Agency website, complete the form and return it to the address provided.

2) Request your change of address in writing. Include the last four digits of your Social Security number or 11 digit identification number (printed on your advice slip).

**Consumer Protection volunteers sought**

THE MARYLAND ATTORNEY GENERAL’S Consumer Protection Division is seeking volunteers to mediate consumer complaints against businesses, healthcare providers and health insurance companies.

Volunteers work two days per week, five hours per day, for at least six months. As a volunteer, you would learn consumer protection law, mediate consumer complaints by phone and letter, and be trained to answer the Division’s consumer hotline. Offices are located in Baltimore and Largo. Volunteers receive a stipend of $9 per day for transportation.

For more information, call 410-576-6358 or email volunteer@oag.state.md.us.

**Note:** Maryland State Retirement Agency staff cannot answer questions about this volunteer opportunity.
FOR ELIGIBLE RETIREES, Block 17 of the 1099-R form contains the amount of your tax deferred contributions made under the State Retirement Pick-up Program. This figure is important for Maryland State income tax preparation.

The State Pick-up Program is concerned with the employee pension plan contributions made while working. It provides for the deferral of federal taxes when the contributions are made, but makes them taxable when received in the pension.

Since this program only defers federal taxes at the time the contributions are made, state income taxes were deducted. The consequence in retirement is that the state income tax is deferred until the pick-up contributions are recovered.

While most members participated in the Pick-up Program, your participation was determined by whether your employer elected to participate and by whether your pension plan required you to make employee contributions.

Federal taxes

Since eligible members did not pay any federal taxes on their pick-up contributions during employment, taxes must be paid during retirement.

You do not need to make any special entries on your federal tax form – the Retirement Agency has included your pick-up contributions when computing the taxable amount of your pension for federal tax purposes.

Maryland state taxes

You have already paid Maryland State taxes on the pick-up contributions listed on your 1099-R. To avoid paying taxes twice, you must subtract the pick-up amount from your federal adjusted gross income shown on page 2 of your Maryland tax return (Form 502) as follows:

Enter your pick-up amount on line “r” of Form 502SU. Enter the sum of all subtractions from Form 502SU on line 13 of Form 502. Enter code letter “r” in the code letter box of Form 502. Please attach the Form 502SU to the Form 502. This serves as a subtraction from your income which will reduce your taxable net income on line 20 (Form 502).

The subtraction is limited to the amount of pick-up contribution stated on the 1099-R or the taxable pension, whichever is less. The remainder of the pick-up amount is carried over to next year’s taxes. When the pick-up amount reaches zero, “EP USED” will be printed in the pick-up block on your 1099-R. This usually occurs within a few years after the date of retirement.

Did you retire in 2016?

For members who ended active employment and retired in 2016, the W-2 form you receive from your former employer will show 1) your annual wages earned prior to retirement and 2) any state pick-up contributions made in 2016. This state pick-up amount serves as an addition to state income for 2016. Enter this figure on line 3 of your Maryland tax return (Form 502).
