**INTERNAL REVENUE SERVICE** Form 1099-R will be mailed to all Maryland State Retirement and Pension System payees on or before January 31, 2023.

Form 1099-R provides detailed information on the payments you received from the Maryland State Retirement Agency during calendar year 2022. It is an

important tool for completing your annual income taxes.

Most payees will receive only one 1099-R tax form each year. However, members who retired in 2022 will also receive a 1099-R tax form for any additional payments, such as a refund of any excess member contributions.

1099-R form? In addition to the paper form mailed to you, an electronic copy of your Form 1099-R for 2022 will be posted to your **mySRPS** account on or before January 31, 2023.

**mySRPS**, the Maryland State Retirement Agency's secure website, is a powerful tool for managing your pension account. Use **mySRPS** to access and print tax statements for 2022 and the past four years. You also can use **mySRPS** to change your tax withholdings (see page 6), sign up for direct

deposit (see page 1) and change your address on file with the Retirement Agency.

## Print your 1099-R

Access and print your 1099-R tax statement in three easy steps:

1. Log into your **mySRPS** account.
2. Click on the **My Documents** tab in the upper right-hand corner of the screen.
3. Select **View** next to the tax form that you wish to access.

Not yet a registered **mySRPS** user? Signing up is easy. Visit the Maryland State Retirement Agency online at [sra.maryland.gov](http://sra.maryland.gov), click on **mySRPS Login**, then **Register**. Follow the prompts to receive a registration packet in the mail.

## Statement, from page 1

Retirees who turned age 59½ in calendar year 2022 will receive two 1099-R tax forms. These retirees will receive a 1099-R tax form for pension payments distributed in the calendar year prior to reaching age 59½ with a distribution code 2. They also will receive a separate 1099-R tax form for pension payments distributed in the calendar year on or after the date they reached age 59½ with a distribution code 7.

For your security, your 1099-R tax form lists only the last four digits of your Social Security number.

## Some important components of your 1099-R form

### BLOCK 1: Gross Distribution

This is the total amount of pension benefits paid to you by the Maryland State Retirement Agency during the 2022 calendar year.

### BLOCK 2A: Taxable Amount

This is the taxable amount of the pension benefits paid to you. Depending on when you retired, your retirement type and whether you contributed to help fund your benefits, you may not be taxed on the total amount of pension benefits paid to you. If this is the case, the amount shown in this block will differ from the amount in Block 1.

### BLOCK 4: Federal Income Tax Withheld

This is the total amount of federal income tax deducted from your monthly pension benefits.

### BLOCK 5: Employee Contributions

This is the amount of your contributions that were recovered, tax free, during 2022. The dollar figure in this box does NOT represent the amount of any health insurance premiums withheld from your pension benefit.

### BLOCK 7: Distribution Code(s)

This is the IRS distribution code; they are explained on the back of the 1099-R form.

### BLOCK 9B: Total Employee Contributions

This is the value of any of your member contributions made during employment that can be recovered tax-free in retirement. Only if you retired in 2022 and made member contributions that can be recovered tax-free will you see a value in this block. If you retired prior to 2022, a zero will be printed in the block.

### BLOCK 14: State Tax Withheld

This is the total amount of Maryland State income tax deducted from your monthly pension benefits.

### BLOCK 19: Pick-Up Contributions

This amount applies to you if your employer participated in the State Pick-up Program. See page 5 for more information.

# Diversified allocation, successful implementation help protect asset values in challenging fiscal year

## THE MARYLAND STATE

Retirement and Pension System generated a modestly negative return of -2.97%, net of fees, for the fiscal year ending June 30, 2022, beating its policy benchmark of -3.48%. The System's diversified and risk-balanced asset allocation, designed to weather extremes in market volatility, performed significantly better than a traditional 60/40 allocation to publicly traded stocks and bonds, saving more than \$5 billion on its investments for fiscal year 2022.

The year's returns reflect the impact of the ongoing volatility of global financial markets impacted by inflation, rising interest rates, the COVID-19 pandemic, and the war in Ukraine. Recent market activity has been marked by a reversal in the long-term relationship between stocks and bonds. Typically, bond returns have provided a cushion to offset weak stock performance. In fiscal year 2022, stocks and bonds were both down more than 10%. The System's asset allocation generated outperformance representing over \$5 billion in savings compared to a 60/40 implementation.

"It was a difficult fiscal year for public markets with both bond and stock prices falling," said Chief Investment Officer Andrew C. Palmer. "The Board's diversified asset allocation policy anticipates unusual markets such as these and includes stabilizing assets classes to protect value. For fiscal year 2022, alternative

assets were able to produce positive returns and help the System outperform its benchmark, further preserving value. While the fiscal year did not achieve the assumed actuarial rate of 6.8%, the three-, five- and 10-year returns of 8.4%, 7.9% and 7.8%, respectively, exceeded expectations and, along with consistent contributions from the sponsors, have significantly improved the funded status of the System."

"As you would expect, given recent market conditions, investment returns are down from last year," said State Comptroller Peter Francho, Chair of the Maryland State Retirement and Pension System Board of Trustees. "However, the System's assets have held up better than most public plan peers. For the one-year ending June 30, 2022, the System's net return of -2.97% ranked in the 14th percentile among a universe of 64 peer plans, meaning the System outperformed 86% of the group."

## Trustees Franchot, Brinkley conclude Board service

**RETIRING TRUSTEES** Peter Franchot and David R. Brinkley were recognized at the December 2022 meeting of the Board of Trustees of the Maryland State Retirement and Pension System for a combined three decades of service to members and retirees of the plan.

Mr. Franchot, Comptroller of Maryland, and Mr. Brinkley, Maryland Secretary of Budget and Management, served as ex officio members of the 15-seat Board. (The third ex officio

trustee is Maryland State Treasurer Dereck E. Davis.)

“Peter Franchot ... applied his keen financial acumen and stewardship to all pecuniary decision-making, ensuring the security of benefits for hundreds of thousands of current and future retirees and helping to grow the accumulation fund from \$37 billion to \$62 billion,” the Board said in a prepared statement.

Comptroller Franchot has served as Board Chair or Vice-

Chair since his inauguration as Comptroller in 2007.

The Board also honored Secretary Brinkley. A resolution adopted by the Board described how the eight-year trustee “applied his vast experience and know-how in government finance to assist the Maryland State Retirement Agency in crafting its annual budget, partnering collaboratively with the Executive and Legislative branches to promote sound and responsible governance.”

## Governor taps two to serve on Board of Trustees

**AN INVESTMENT ENTREPRENEUR AND A COUNTY FINANCE OFFICIAL** are the two newest members of the Board of Trustees of the Maryland State Retirement and Pension System. Michael J. Howard and Robert F. Sandlass, Jr., were appointed to the Board in

June 2022 by Governor Lawrence J. Hogan, Jr.

Trustee Howard is the founder of MJH Group, a private investment and management consulting firm. He previously worked with the U.S. Securities and Exchange Commission in the Division of Corporation Finance.

Trustee Sandlass has served as Harford County Treasurer since 2014. He also chairs the Boards of Trustees for the Harford County Sheriff’s Office Pension Plan for correctional officers and Length of Service Award Program for volunteer firefighters.

## Trustee election slated for retired teacher, employee reps

**RETIREES AND MEMBERS** of the Maryland State Retirement and Pension System will elect two trustees to the \$62 billion plan’s Board of Trustees in an election slated for mid-May 2023.

Two elections will be conducted. Voters will choose a retired Teachers’ Systems representative and a retired Employees’ Systems representative to the Board. While only retirees are eligible to vie in these elections, both active members and

retirees of the respective plans may cast ballots.

The Teachers’ Systems post is open to retirees of the Teachers’ Retirement or Pension Systems. The Employees’ Systems seat is open to retirees of any other SRPS plan except the State Police Retirement System, which elects its own representative. Current retiree representatives for the Teachers’ and Employees’ Systems are

Trustees Kenneth B. Haines and Sheila Hill, respectively.

Election packets mailed to the homes of eligible voters will include instructions for voting by mail, telephone or internet. The successful candidates will serve a term in office from August 1, 2023, through July 31, 2027.

A Trustee election to select actively-employed representatives for the employees’ and teachers’ plans is scheduled for 2025.

# Your 1099-R form and Box 19: Understanding how Employer Pick-up may affect your taxes

**FOR ELIGIBLE RETIREES,** Block 19 of the 1099-R form contains the amount of your tax-deferred contributions made under the Employer Pick-up Program. This figure is important for Maryland State income tax preparation.

The Employer Pick-up Program is concerned with the employee pension plan contributions made while working. It provides for the deferral of federal taxes when the contributions are made, but makes them taxable when received in the pension.

Since this program defers only federal taxes at the time the contributions are made, state income taxes were deducted.

Most members participated in the Employer Pick-up Program. Your participation was determined by whether your employer elected to participate and by whether your pension plan required you to make employee contributions.

## Federal taxes

Since eligible members did not pay any federal taxes on their pick-up contributions during employment, taxes must be paid during retirement.

You do not need to make any special entries on your federal tax form. The Maryland State Retirement Agency has included your pick-up contributions when computing the taxable amount of your pension for federal tax purposes.

## Maryland State taxes

You have already paid Maryland State taxes on the pick-up con-

tributions listed on your 1099-R. To avoid paying taxes twice, you must subtract the pick-up amount from your federal adjusted gross income shown on page 2 of your Maryland tax return (Form 502) as follows:

Enter your pick-up amount on line "r" of Form 502SU. Enter the sum of all subtractions from Form 502SU on line 13 of Form 502. Enter code letter "r" in the code letter box of Form 502. Please attach the Form 502SU to the Form 502. This serves as a subtraction from your income which will reduce your taxable net income on line 20 (Form 502).

The subtraction is limited to the amount of pick-up contribution stated on the 1099-R or the taxable pension, whichever is less. The remainder of the pick-up amount is carried over to next

year's taxes. When the pick-up amount reaches zero, "EP USED" will be printed in the pick-up block on your 1099-R. This usually occurs within a few years after the date of retirement.

## Did you retire in 2022?

For members who ended active employment and retired in 2022, the W-2 form you receive from your former employer will show 1) your annual wages earned prior to retirement and 2) any state pick-up contributions made in 2022. This state pick-up amount serves as an addition to state income for 2022. Enter this figure on line 3 of your Maryland tax return (Form 502).

payees with two convenient options to register for direct deposit of their monthly benefit:

- Payees may register online using the Maryland State Retirement Agency's secure website, **mySRPS**.
- Payees who prefer using a paper form may print — and complete for themselves — the new *Direct Deposit Authorization* (Form 85). No banker needed!

The new process is quicker and includes multiple safeguards to protect retirees' personal bank information. Best of all, retirees and beneficiaries no longer have to travel to their financial institution and ask a bank employee to complete a paper form.

To access **mySRPS** or to print *Direct Deposit Authorization* (Form 85), visit the Maryland State Retirement Agency online at [sra.maryland.gov](http://sra.maryland.gov).

## Online or on paper, know the steps to change tax withholdings

### CHANGING THE AMOUNTS

of federal or Maryland State taxes withheld from your monthly pension payment can be done online or by using paper forms. It's up to you.

The fastest and easiest way to update your tax withholdings is through **mySRPS**, the Maryland State Retirement Agency's secure website. Log into your **mySRPS** account and click on **Update Tax Withholding**. Follow the prompts to start or stop tax withholdings or to increase or decrease the amounts.

Not yet a registered **mySRPS** user? Signing up is easy. Visit the Retirement Agency online as [sra.maryland.gov](http://sra.maryland.gov), click on **mySRPS Login**, then **Register**. Follow the prompts to receive a registration packet in the mail.

If you prefer to use paper forms, there are two new forms for federal and Maryland state tax withholding. Submit a *Withholding Certificate for Periodic Pension or Annuity Payments* (IRS Form W-4P) for changes to your federal tax withholdings. Submit a *Maryland State Tax*
