

**Maryland State Retirement and Pension System Implementation of the 2022 Divestiture from
Russia Act as of October 1, 2024
State Personnel and Pensions Article, § 21-123.3**

This is the required semi-annual report for the period commencing April 1, 2024, and ending September 30, 2024 (the “Reporting Period”), and includes the following:

- (1) all divestment actions taken by the Board of Trustees in accordance with this section;
- (2) a list of investments that the Board of Trustees has determined to be ineligible for investments of net new funds under subsection (c)(2) of this section; and
- (3) other developments relevant to Russia-restricted investments.

1. All divestment actions taken by the Board of Trustees during the Reporting Period.

During the Reporting Period, the Board of Trustees approved an updated list of restricted securities. Please see Attachment 1.

2. Companies doing business in Russia, which the Board of Trustees has determined during the Reporting Period to be ineligible for investments of net new funds under the terms of the Act.

At its meeting on September 17, 2024, the Board of Trustees determined that the companies noted in Attachment 1 are not eligible for investment and directed those managers of eligible accounts be notified of the restriction.

3. Other developments relevant to investments in companies doing business in Russia.

A. In discharging their responsibilities under the Act, the Board of Trustees and its Corporate Governance and Securities Litigation Committee (“Corporate Governance Committee”) receive and review information, as well as input from (i) the System’s vendor Institutional Shareholder Services (“ISS”), (ii) Meketa Investment Group, Inc., the System’s general investment consultant, (iii) legal counsel and (iv) staff of the Investment Division.

The information presented to the Board of Trustees and its Corporate Governance Committee considers a wide array of factors, including:

1. initial and ongoing divestment costs on both an individual and aggregate level;
2. company impact on aggregate, fund-level returns and managers; and
3. representation of companies in the relevant investment benchmarks, including:
 - i. representation of companies in sectors and industries; and
 - ii. representation of companies in various investment benchmarks.

B. The Board of Trustees recognizes that it has a continuing monitoring and reporting obligation. ISS is providing ongoing monitoring services, and the general investment consultant, State Retirement Agency staff, and legal counsel will continue to assist the Corporate Governance Committee in reviewing matters regarding the Act.
